

An aerial photograph of a river confluence, likely the Amazon and Negro rivers, with a technical overlay. The overlay consists of several colored and patterned regions: a large orange-hatched area on the left, a central grey area with a blue line, a yellow area at the bottom, and a red rectangle. The background is a high-resolution aerial image showing the river's course and surrounding terrain.

SEZIONE A - A' SCALA 1:100

SCALA 1:100

Technical drawing of a building section showing a cross-section with dimensions and structural details. The drawing includes a central vertical axis labeled 'A' and a horizontal axis labeled 'B'. The section is divided into several horizontal layers, with dimensions indicated on the right side: 0.15, 1.00, 1.00, 1.00, 1.00, 1.00, 1.00, 1.00, 0.50, 0.85, 0.15, and 0.50. The total height of the section is 8.00. The section is supported by a foundation, with dimensions indicated at the bottom: 2.00, 2.00, 2.00, and 2.00. The drawing also shows a cross-section of a wall with a thickness of 0.50 and a height of 1.00. The wall is supported by a foundation with a width of 2.00. The drawing includes a scale bar at the bottom right, indicating a scale of 1:100.
